MANAGEMENT LETTER

February 2, 2026

Hamburg Industrial Development Agency, Inc.
6122 South Park Avenue
Hamburg, NY 14075

Honorable Board:

In planning and performing our audit of the financial statements of the governmental activities of Hamburg Industrial Development Agency, Inc. as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered Hamburg Industrial Development Agency's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Hamburg Industrial Development Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of Hamburg Industrial Development Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management of Hamburg Industrial Development Agency, Inc. and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Allied CPAs, P.C.
